Names:	<u>Parent Education</u> Ex: Parent Nights Parent Communication
Classroom Teachers	Ex: Student Recognition and Weekly Mindset Lessons Weekly newsletters

7 Mindsets Example Timeline

The following timeline is an example and can/should be modified to fit your schedule. The mindsets can be taught in order or can be shifted throughout the year based on preference. There are suggestions such as assemblies, school-wide thematic days, and supplemental projects. You will also see teacher surprises and example activities.

All of these suggestions can/should be modified to fit your school's needs.

Week of	Activity
Start of School	Teachers register for Portal access and all staff take the pre-teacher survey. Students take the pre-student survey Welcome Back Assembly
